Reviews

If you need to adding benefit, a must buy book. It really is writter in straightforward words and phrases rather than difficult to understand. Your life period is going to be change the instant you total reading this ebook.
(Letha Okuneva)

THE MAN WHO SAW EVERYTHING

Penguin Books Ltd (UK) Aug 2019, 2019. Buch. Condition: Neu. Neuware - LONGLISTED FOR THE BOOKER PRIZE 2019 Electrifying and audacious, an unmissable new novel about old and new Europe, old and new love, from the twice-Man Booker-shortlisted author of *Hot Milk* and *Swimming Home* 'The man who had nearly run me over had touched my hair, as if he were touching a statue or something without a heartbeat.' In 1988 Saul Adler (a narcissistic, young historian) is hit by a car on the Abbey Road. He is apparently fine; he gets up and goes to see his art student girlfriend, Jennifer Moreau. They have sex then break up, but not before she has photographed Saul crossing the same Abbey Road. Saul leaves to study in communist East Berlin, two months before the Wall comes down. There he will encounter - significantly - both his assigned translator and his translator's sister, who swears she has seen a jaguar prowling the city. He will fall in love and brood upon his difficult, authoritarian father. And he will befriend a hippy, Rainer, who may or may not be a Stasi agent, but will certainly return to haunt him in middle age. Slipping slyly between time zones and leaving a spiralling trail, Deborah Levy's electrifying *The Man Who Saw Everything* examines what we see and what we fail to see, the grave crime of carelessness, the weight of history and our ruinous attempts to shrug it off. 'Levy writes on the high wire, unfalteringly' Marina Warner 199 pp. Englisch.
